Congratulations on your recent vehicle purchase and your decision to protect your investment with a Service Agreement. Nissan provides you with quality protection against mechanical failure for covered components.

Your Service Agreement details the specific coverage for your vehicle. It is also your proof of coverage. Please present this Agreement to your selling dealer should your vehicle require servicing.

We urge you to read your Service Agreement carefully, paying close attention to any options or exclusions, fees, deductibles, terms and conditions, owner responsibilities and legal definitions.

If you have any questions regarding your Service Agreement, please contact your dealer.

We sincerely thank you for your business.

NISSAN EXTENDED SERVICES NORTH AMERICA, INC.

Note: The Nissan Altima Hybrid is covered by this agreement. Section 8, What Is Not Covered, 8.1 refers to 100% Electric Vehicles (EV), not Hybrids.

The Hybrid Battery is covered by the manufacturer's new vehicle limited warranty for up to 8 years/100,000 miles (basic) or 10 years/150,000 miles (California*) from the original in-service date, whichever occurs first.

The Hybrid System is covered by the manufacturer's new vehicle limited warranty for up to 8 years/100,000 miles (basic) or 15 years/150,000 miles (California*) from the original in-service date, whichever occurs first.

* California-certified vehicles sold for registration in various states. Please refer to the Warranty Information Booklet for complete details.

1 HOW DOES THIS SERVICE AGREEMENT PROTECT ME?

In return for your payment, Nissan Extended Services North America, Inc. (NESNA)* will arrange for a Nissan dealer to repair or replace all covered parts of your vehicle (see Section "This Service Agreement Covers" below) when such repair or replacement is due to a "MECHANICAL BREAKDOWN", as defined below, and when all other terms and conditions of this Agreement are met. The deductible which you must pay, if any, is listed in the Vehicle/Agreement Information section of this Agreement.

MECHANICAL BREAKDOWN means the inability of a covered part(s) to perform the function(s) for which it was designed, due solely to defects in Nissan materials or faulty workmanship for which Nissan is responsible. MECHANICAL BREAKDOWN does not include damage due to negligence, damage caused by an accident, or the gradual reduction in operating performance due to wear and tear. In addition, this Agreement does not provide any benefit for any mechanical failure or breakdown caused by a non-covered part.

*NESNA indicates Nissan Extended Services North America, Inc., P.O. Box 685004, Franklin, TN 37068-5004, Telephone (615) 725-1000. License #60128.

2 WHAT ARE MY SERVICE AGREEMENT TERMS?

This Agreement applies during the term shown in the Vehicle/Agreement Information section of this Agreement. This Agreement begins on the date the vehicle is delivered to the first retail buyer or put into use ("in-service date"), whichever is earlier.

3 WHEN DOES MY COVERAGE BEGIN AND END?

All coverage under this plan begins on the date the vehicle is delivered to the first retail buyer or put into use ("in-service date"), whichever is earlier, with mileage beginning at zero, regardless of the vehicle age or odometer reading at the time of sale, although any or all components or parts may be covered by the manufacturer's limited warranty, warranty extensions, recalls or campaigns. Expiration of coverage is determined by the greater of time or mileage, whichever occurs first.

Odometer reading, which appears in the Vehicle/Agreement Information section of this Agreement, means the actual number of miles which the vehicle has been operated since manufacture as indicated on the vehicle's odometer, **unless the odometer is/has been broken, has been replaced or has been tampered with.** In such a situation, NESNA will calculate the total actual number of miles of vehicle operation since manufacture based on the information available. If ever the odometer is tampered with, and/or is inoperative so that the vehicle's total actual number of recorded miles of operation since manufacture cannot be accurately determined by NESNA, this Agreement will be void. Odometer reading reflects the mileage based upon the recording device and numerous factors, and may not reflect actual distance traveled.

4 WHAT DOES MY SERVICE AGREEMENT COVER?

This Agreement covers any repairs needed due to MECHANICAL BREAKDOWN, as defined above, for Nissan components in the following categories:

Nissan Extended Services North America, Inc. ("NESNA") and/or the Lienholder may cancel this Agreement if: a) There has been a material misrepresentation or fraud at the time of sale of the service agreement; b) You have failed to maintain the motor vehicle as prescribed by the manufacturer; c) The odometer has been tampered with or disabled and you have failed to repair the odometer; or d) For nonpayment of premium by you, in which case NESNA and/or the Lienholder must provide you with notice of cancellation by certified mail.

NOTE: If this Agreement was financed, then the refund will be paid to the lienholder unless proof of pay-off is submitted.

12 HOW DO I TRANSFER MY SERVICE AGREEMENT?

This Agreement is for the benefit of the Purchaser and applies only to the vehicle listed in this Agreement. However, this Agreement may be transferred to subsequent owners of the covered vehicle under the following conditions:

1. The vehicle's service records are current and indicate that the vehicle was maintained in accordance with Nissan's recommendations. In the event service records are not available, NESNA may require the vehicle to be inspected and serviced at an approved repair facility at the owner's expense to ensure the vehicle has been properly maintained. If the inspection and service disclose abnormal vehicle conditions, the transfer request may be rejected. This determination shall be within the sole discretion of NESNA.
2. The transfer request is made within thirty (30) days of change in ownership.
3. The transfer information and the appropriate signatures are provided in the Transfer Certificate section of this Service Agreement.
4. A transfer fee of \$40, payable to NESNA is included with the transfer request. Payment may be by check or money order.

A new Agreement will be mailed to the subsequent owner after NESNA's receipt and successful processing of all requested material.
